Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work on IL 92 west of Andalusia will resume on Monday, March 9, 2015. Valley Construction Company is working on the project to make improvements to the four mile section of IL 92 westerly from 115<sup>th</sup> Street in Andalusia. The \$6.2 million project is expected to be completed by mid-summer.

The contractor has finished all of the pavement repairs and most of the extending of culverts and the roadway widening. Work to be completed includes resurfacing the roadway, grading of ditches, and seeding all the earthwork areas.

There will be many work areas along the four mile project with workers and equipment along the roadway. Drivers should be alert for lane closures and should be prepared to stop for flaggers who will be directing traffic.

Please slow down and use extreme caution while driving through all work zones.
